Embed Music from MixCloud onto your Page

MixCloud is a music streaming service that focuses on streaming and sharing radio shows, DJ mixes and podcasts created by their users.

Add MixCloud to your Page

1. Head to MixCloud and find the song you wish to embed.
2. Click the Share/Embed icon to the left of the song artwork.
3. Select the "Embed" option in the top of the pop-up and choose the widget styling you would like to have embedded on your site.
4. Once you have it looking the way you'd like, Copy the embed code by selecting the code and using CMD+C (on Mac) or CTRL+C (on Windows)
5. Navigate to your PageCloud page and paste the embed code using the CMD+V (on Mac) or CTRL+V (on Windows) shortcuts.
6. Click "Save" to save your changes to the page.
7. Click "View Live" to see the MixCloud widget on your page.
