

Get Pinterest Pins onto your Page

Pinterest is a social media platform that helps you discover what you love and then share it through "pinning"

Add Pinterest to your Page

1. Head to your [Pinterest](#) account and navigate to the Pin or Board you would like to add.
 2. Copy the url using the CMD+C (on Mac) or CTRL+C (on Windows) shortcut.
 3. Head to the PageCloud page you would like the Pinterest widget to appear on.
 4. Paste the url directly onto your page using CMD+V (on Mac) or CTRL+v (on Windows) Shortcut.
 5. The widget will appear on the page as an embedded object.
 6. Click "Save" to save your changes to the page.
 7. Click "View Live" to see the Pin on your page.
