Including an Albumizr Photo Gallery on your Page

Alubmizr is a album & slideshow creation service that allows you to upload your images and arrange them into different galleries to be displayed online.

Add Alubmizr to your Page

1. Head to your Albumizr account and build up your gallery just the way you'd like.
2. Copy embed code provided using the CMD+C (on Mac) or CTRL+C (on Windows) shortcut.
3. Head to the PageCloud page you would like the album to appear on.
4. Paste the embed code directly onto your page using CMD+V (on Mac) or CTRL+v (on Windows) Shortcut.
5. The Alubmizr embed code may appear as an empty wireframe. Don't worry, when viewed live it will display gallery as expected.
6. Click "Save" to save your changes to the page.
7. Click "View Live" to see the album on your page.
