Use EmbedSocial for a Facebook Gallery Album

EmbedSocial offers an easy way to embed a Facebook photo gallery into your PageCloud site.

Add Facebook Gallery Albums with EmbedSocial

1. Head to your EmbedSocial and create the gallery you'd like to embed.
2. Copy the embed code EmbedSocial provides.
3. Head over to your PageCloud site where you'd like the gallery to appear. See screen shot below for an example.
4. Paste the embed code using the CMD+V (on Mac) or CTRL+V (on Windows) shortcut keys.
5. Click Save and View Live to see your Embed Social Facebook Gallery in Action!

EmbedSocial offers a special discount code for PageCloud subscribers! Use **pagecloud** at checkout to get 50% off your first 6 months.
