

Embed AddThis Website Tools

[AddThis](#) helps publishers grow their audience with simple website tools – for free. Add share buttons, email list building widgets, follow buttons, related posts, and link promotion popups

Create your AddThis Tools

1. Create a free account with [AddThis](#).
2. Click "Tools" in the upper bar, then click "Add New Tool".
3. Select the tools you'd like to appear on your page.
4. You can adjust the tools to fit your needs.
5. Click "Get The Code" in the upper bar to reveal the embed code.

Embed AddThis Tools on PageCloud

1. Head to [AddThis](#) and copy the embed code they provide.
2. On the PageCloud page you'd like the code to appear, head to the Settings tab in right of the bottom bar.
3. Click the Advanced tab, then click the Editor.
4. Paste the code provided by AddThis using CMD+V (on Mac) or CTRL+V (on Windows) shortcut.
5. Click Save & Close on the editor.
6. Click Save and View Live to see your AddThis tools in action.

Share and Follow buttons are a great starting point to make sure your visitors can easily share your content and follow you on your social media channels.
