

# Web Browsers Supported by PageCloud

## PageCloud Supports these Web Browsers for Editing:

Chrome: Version 63 and newer

FireFox: Version 62 and newer

Safari: Version 11 and newer

Microsoft Edge: Version 18 and newer

## Web Browsers Not Supported for Editing:

Internet Explorer: Does not include the newer technology to support editing.

## Viewing PageCloud Created Sites:

Most web browsers, including older versions, will view PageCloud created sites.

Internet Explorer is not fully supported in displaying the newest web technologies. For instance, Full width layouts and objects will not appear in Internet Explorer.

## Tablet Support

PageCloud does not currently support editing within Tablet operating systems.
