

# Embed an Insightly Form on your Page

Insightly is a powerful Customer Relationship Management (CRM) software that allows you to stay organized with all your leads, customers, and anyone else interacting with your business. Insightly also provides a project management, social outreach, business overviews and reporting elements to help you get the whole picture when it comes to your business.

## Add Insightly Form to your Page

1. Head in to your [Insightly](#) account.
  2. Copy embed code provided using the CMD+C (on Mac) or CTRL+C (on Windows) shortcut.
  3. Head to the PageCloud page you would like the form to appear on.
  4. Paste the embed code directly onto your page using CMD+V (on Mac) or CTRL+v (on Windows) Shortcut.
  5. The Insightly Form embed code may appear as an empty wireframe. Don't worry, when viewed live it will display as expected.
  6. Click "Save" to save your changes to the page.
  7. Click "View Live" to see the form on your page.
