Changing the Email on your Account

Change the Email on your Account

1. Log into your PageCloud account.
2. Head to your profile menu in the upper right of your site dashboard.
3. Click the Profile tab.
4. Enter in the new email you'd like to use on your account.
5. Click Save. You've changed the email on your account

Each account will need a unique email attached to it. You cannot use the same email on multiple accounts.
