

Add Business Calculators and Forms with uCalc

uCalc allows you to create business calculators and forms for many different industries. Once created these forms can be embedded into your PageCloud site.

Embed a uCalc Form or Calculator

1. Create the form or calculator on [uCalc](#).
 2. Head to your PageCloud page you want the form to appear on.
 3. Paste the embed code using the CMD+V (on Mac) or CTRL+V (on Windows) shortcut keys.
 4. The uCalc form will appear as an embedded object on your page.
 5. Click "Save" and "View Live" to see your uCalc form in action.
