

Site Promotion

Would you like to see your website featured in PageCloud promotional material? Turn on Site Promotions!

Your site will be on the list of sites we choose from when developing marketing material.

Turn on Site Promotion

1. Log into your [PageCloud](#) account.
2. From your Site Dashboard click "Site Settings".
3. Scroll to "Site Promotion".
4. Toggle Site Promotion On or Off.

Site Promotions is turned off by default to respect the privacy of our users.
