

Add Bandcamp to your Page

Bandcamp is a music streaming and purchasing platform for artists.

Add Bandcamp Embed Code to your Site

1. Head to the song or album page within [Bandcamp](#) .
 2. Click the Share/Embed link and customize your embedded player.
 3. Copy the Embed code using the CMD+C (on Mac) or CTRL+C (on Windows) shortcut.
 4. Head to your PageCloud page you want the embedded player to appear on while in edit mode.
 5. Paste the embed code using CTRL+V (on Windows) or CMD+V (on a Mac)
 6. Click "Save" and "View Live" to see your Bandcamp code in action.
