

How to Rename a Page

Change your page's name to adjust what displays after your domain name in the URL field (i.e. www.yourdomain.com/pagename)

Change your Page Name

1. Head to the Page dashboard.
2. In the lower right of the page thumbnail, Click the down arrow.
3. Select Rename
4. Enter in the new name you would like to use for the page.

The Page Title is the information displayed in a web browser's tab. To update the Page Title, view the article [here](#).
