

Subscriptions

Paid subscriptions give you access to the PageCloud editor, allows you to publish your site to the web, and includes the hosting costs of your site.

Choose a paid subscription

1. Head to pagecloud.com/pricing to view our current plans.
2. Within your account you can choose a plan by [publishing a site](#) or heading to the [billing](#) section.

Publish a site

Publishing your site allows you to share it on the web, attach a custom domain, and being getting site visitors.

View our full walkthrough on how to [publish a site](#).

Un-publish a site

You can un-publish a specific site to allow you to publish a new site within your account or if you no longer need the additional site.

View our full walkthrough on how to [un-publish a site](#).

Un-publishing a site will not reduce your subscription Quantity. Please reduce your site subscription using the steps below

Reduce subscription quantity

You may need to reduce the quantity of sites available within your subscription. To reduce the amount of sites your subscription has access to (without cancelling your subscription fully) please reach out to support@pagecloud.com or start a live chat from within your account.

Cancel your subscription

Cancelling your subscription will reduce your available site quantity to 0. You will no longer have access to sites (published or draft) after the end of your current billing period.

1. Log into your [PageCloud](#) account.
2. Click your name in the upper right of Your Sites Dashboard page.
3. Click Billing.
4. Click "Cancel my subscription".

Once cancelled, you will have access to your account until the end of your billing cycle.
