

How to Add Calendly Embed

Calendly is your hub for scheduling meetings professionally and efficiently, eliminating the hassle of back-and-forth emails so you can get back to work. Easily embed Calendly into your Pagecloud site!

Create your Calendly Account

1. Create your [Calendly account](#) (there is a free option).
2. Once you've [setup your Calendly account](#) you will be able to copy an embed code and add it to your website.

Adding Calendly to your Site

1. From your Calendly home page select 'Share' on the event calendar you'd like to embed.
2. Select 'Add to Website'.
3. Choose the type of embed you want to add to your site.
4. Customize your embed and click 'Copy code'
5. Navigate to your Pagecloud Editor and paste the code.
6. The code will be added to your page. Save and view live to view your embed!

Calendly's help article for adding the embed can be found [here](#).
