How to Add Givebutter Fundraising

Givebutter is a fundraising platform designed to help student groups, sports teams, businesses of all sizes, and nonprofit organizations set up fundraising pages and sell tickets for events to collect online donations. Embed your fundraising campaign into your website easily with Givebutter!

Add Givebutter Fundraising to you Site

1. Create your Givebutter account (there is a free option).
2. Once you've setup your Givebutter account and made a fundraising campaignclick the 'Share' tab from your Givebutter dashboard.
3. Copy the embed code provided in the 'Embed' section.
4. Navigate to your Pagecloud Editor and paste the code directly onto the Editor. An iframe will be created on your page.
5. Save the page and view live to see your Givebutter embed!
