

# Supported Payment Gateways

## Payment Processors

In order to accept payments through your online store, you will need to choose and connect a payment processor. The most popular payment processors include [Paypal](#), [Square](#), and [Stripe](#).

Here is a [list of all supported payment gateways](#).

## Connect your payment processor

1. In your Pagecloud Dashboard, navigate to the E-commerce tab
2. In your E-commerce Dashboard, go to Payment in the left toolbar (under Configuration)
3. Enable "Pay by cash" or your Paypal, Stripe, or Square payment gateway
4. If you are using another processor, scroll down to *Manual payment methods*, or *Other ways to get paid* and select your payment method or processor

## Subscriptions

You can set up recurring subscriptions for products or services in your E-commerce Dashboard

**Note:** In order to accept recurring subscriptions, you must be using Stripe.

1. In your E-commerce Dashboard, navigate to **Settings** -> **General** -> **Cart and Checkout**
2. In the **Sell subscriptions** box, turn on the **Product subscriptions** toggle to enable products with subscription prices.
3. Go to **Catalog** -> **Products**.
4. Select the product you wish to set up subscriptions for, or create a new product
5. In the **Pricing** section in the product editing page, click **Manage pricing options** -> **Sell by subscription** and turn on the toggle.
6. A **Billing period** field will appear. Click on the dropdown menu to select how often you

want to charge your customers for this product — Once per day, Once per week, Once per 2 weeks, Once per month, Once per 3 months, Once per year.

7. Tick the **Allow purchase without subscription** box, so your customers can choose between one-time purchase and subscription. Otherwise, they can only buy a product with a subscription.
8. Click **Save**.

## Apple Pay

You can set up Apple Pay for your customers in your Ecommerce Dashboard.

**Note:** In order to set up Apple Pay you must be using Stripe payment gateway

1. After you've set up your Stripe account, click **Set Up Apple Pay** to verify your website domain with Apple.
2. Follow instructions in a short wizard and upload a verification file to your website.
3. Click **Verify Uploaded File**.

**Note:** You will need to contact [support@pagecloud.com](mailto:support@pagecloud.com) in order to get your verification code uploaded.
